FIRST OF ALL, THANK YOU

Walking 'Robin's Way' or plotting your own 'Walk from Home' is a shared journey with personal meaning. Each participant brings their own reasons for taking part, but all are connected through a common purpose: raising awareness and support for people living with cancer through Yes to Life.

This journey is built on consistency, patience, and purpose.

You do not need to be perfect. You do not need to walk at a certain speed or compare your experience to others. *What matters most is that you continue moving forward, one step at a time, in a way that feels manageable for you.*

Along the way, you will discover not only the landscape around you, but also your own capacity to adapt, to persist, and to find meaning in the process. Walking for Yes to Life gives this journey a deeper layer of significance.

Every step contributes to something larger than yourself, and that connection is what transforms the Camino from a walk into a shared act of purpose.

NOW LET'S BEGIN . . .

WALK WITH ROBIN DAY 1 TO DAY 2

DAY 1: READING → SOUTHCOTE LOCK (5KM)

SATURDAY 03 OCTOBER 2026

Robin's journey begins at Reading Abbey ruins / St James' Church. The UK Camino is officially called the St James' Way - however for the Yes to Life Global Camino Challenge, we are cheekily renaming it Robin's Way.

The route will then head southwest and walk a 5km (approx. 3-mile) scenic section along the Kennet and Avon Canal. Look for the granite 'Mouteira' way marker and follow the clearly marked scallop shell signs - the same signs used on the Spanish Camino - along the canal towpath, passing through the scenic riverside area towards Southcote Lock - the finish line.

Highlights include the Medieval Abbey ruins, St James' Church (shrine), riverside scenery, and industrial archaeology.

DAY 2: HEVER CASTLE → CIRCULAR ROUTE (5KM)

MONDAY 05 OCTOBER 2026

For Day 2 Robin moves from Berkshire to scenic Kent for a highly recommended circular walk near Hever Castle.

The walk starts from the Hever Station or the Hever Castle car park by the Henry VIII pub (a handy spot to finish and enjoy some refreshments).

This route features picturesque Kentish countryside and lanes, passing by the River Eden and providing stunning views of the historic castle grounds, often including some rutted paths.

WALK WITH ROBIN DAY 3 TO DAY 4

DAY 3: BRIGHTON → HOVE (5KM)

WEDNESDAY 07 OCTOBER 2026

Day 3 is the most straightforward route following the flat, paved Kings Esplanade that stretches for miles along the Brighton seafront.

This day is suitable for all fitness and ability levels, including wheel chair and pushchairs.

Starting at the iconic Brighton Pier, the route follows the coastal promenade towards Hove Lawns. It follows the iconic English Channel waterfront, offering vibrant coastal views, traditional beach huts, and iconic landmarks.

Once you arrive at Hove Lawns, there is time to enjoy a quick pitstop before following the same route back to Brighton.

DAY 4: GREEN PARK → HORSE GUARDS

SATURDAY 10 OCTOBER 2026

Day 4 takes Robin to the capital and the stunning mid-18th-century Palladian and Baroque architecture of Horse Guards Parade.

Starting from London Victoria, Robin will walk down Constitution Hill, circle the Victoria Memorial at Buckingham Palace, walk through St. James's Park along the lake, and head toward Birdcage Walk.

He'll finish by walking down The Mall, following in the footsteps of thousands of London marathon runners, to Horse Guards Parade.

WALK WITH ROBIN FAMILY DAY!

DAY 5: HOME TERRITORY → BOXHILL DORKING (5KM)

The final day is dedicated to Robin's family and friends who will be joining him for a fun-filled walk around Boxhill, Surrey.

Most routes start near the National Trust visitor center or Box Hill & Westhumble station and feature the iconic River Mole stepping stones, stunning viewpoints and woodland stairs.

Robin will officially close his 'walk from home' Camino in his hometown of Dorking.
